

## All Together Now

Join us for *All Together Now* this summer at the Henderson County Public Library! We have a schedule full of programs for children, teens, and adults this summer with lots of chances to win prizes. To get started, just pick up your activity card (preschool) or reading card (children, teens, and adults) from your local library. You can also print your activity card or reading card directly from the library's website.

Don't want to wait for a visit to the library to get started? You can create an online account through ReadSquared starting June 1st. Just go to <http://hendolibrary.readsquared.com> [1] to begin tracking the time you spend reading with bonus mini-games, badges, and more.
